Integrated Security Rating (ISR)		7
Adapted Security Rating (ASR)		6

The higher the ‘score’, the better.

Scoring Date: 2011/11/26

A high score on Impulsivity, Leniency, Denial, Stress and Aggressiveness would thus means that the person measures positively on these factors in that he/she tends **NOT** to be impulsive, lenient, aggressive, denial or stress-orientated.

DEVELOPER : DR. LOUIS J. FICK
